

Final Result from Italy

I have attached a spreadsheet to the financial report showing our total income and expenses for Italy.

The World's Committee and the executive have decided to distribute a further \$250 to each team member who went to Italy to help pay their transportation costs.

After deducting everyone's share of the hotel shortfall, bus fares and VAT from the \$250, all those except those who took a +supporter are about even. If you would like details about how I calculated the various amounts, I will explain it.

Jeannie has sent a statement to everyone. If you owe money, you can send it to me or Jeannie.

I will be sending money only to the 5 members who did not take any of the buses. **So if you took a bus, I will not be sending you anything.** If you disagree with this decision, please let me know.
