Some paddlers have not received their Health Certificate or Waiver yet as we might need some additional info. If info has been requested by email please respond asap. We do have some leeway but we would like to complete this registration by early November.

4. Please see the survey that has been distributed by Genny. Completed the form and return to Genny by the end of the meeting. If that is not possible please bring to the practice next Tuesday Aug. 29th. This survey is to ascertain the travel plans for Team Members after the Florence festival. We will then collate and will plan for a Worlds Meeting in September. Date TBA.

Things to think about:

- How long will you be staying after the festival?
 - Where would you like to go? (i.e. Rome, Venice, Milan, Tuscany, etc)
 - How would you like to get there? i.e. car, train, bus
 - What would you like to see? (i.e. museums, architecture, shopping, hiking, boating, etc.
 - What type of accommodation do you want? (i.e. pensione, hotel, house, villa, apartment, etc.)
 - Are you comfortable travelling on your own, join a small group or would you rather join a tour (ie. Bus tour organized through Mary or a Travel Agent)
- Will you be landing in Rome and flying out of another airport?
